

TTP is specifically designed for players looking to compete at the highest high school level, collegiate tennis, and beyond. Being a part of this program means that you are actively seeking out tournaments, participating in multiple clinics a week, and doing weekly private lessons. Our minimum commitment for the TTP program is 2 clinics per week, one during the week and match play being mandatory for both groups. Our experienced tournament players will be doing an average of four clinics per week. We are asking our committed tournament players to sign up for Tuesdays and Thursdays. **In order to be eligible for the Tuesday/Thursday group you are required to have a minimum UTR (Universal Tennis Rating) of 5 or APPROVED by TTP Director.** TTP sessions are 19 or 20 weeks long.

**There will be NO TTP the following weeks:**

**November 24th-27th**

**December 25th- January 1st**

Please choose your clinics carefully as there will be no refunds for changes to schedules once the session has started, this is due to reserving both coaches and courts to keep to our 4:1 ratio.
